Hi All,

I am disappointed that this call has been cancelled as I wanted to know the progress on addressing the remaining OR CZARA MMs. Is there anything you need from EPA or NOAA? I heard that you or others at DEQ have been emailing or calling EPA to ask questions. Have all of your inquiries been adequately addressed? Do we need to hold a meeting or arrange a call this month? Will we be seeing a draft?

Talk with you on March 19...

Cheers,

Jayne

Hi -

Once again I need to miss this meeting, I am sorry. This morning in Salem I am giving a joint presentation with ODF to the Board of Forestry on forest water quality and EQC and BOF roles and responsibilities, the protecting cold water criteria and TMDLs are part of the presentation, but no CZARA :) Sorry I have to miss the CZARA meeting this morning. I will try and catch up later today about what was discussed.

cheers

Gene

Jane - It looks like this is the number you still have reserved. If it's not, can you reply to Jayne Carlin and me, and we'll work on getting a new conference line # for our call today? Talk to you all soon. - Jenny

(Note: This invitation is for the 1st Wednesday of the month.)

Hi Everyone,

It looks like the first and third Wednesdays generally work for all of us on CZARA and TMDL litigation issues. Let's keep this on the calendars, and we'll adjust if we need to. I'm hoping this will be useful for all of us as we work through all of the issues.

Let's do 10-10:30AM CZARA and 10:30-11AM TMDL litigation to start off. Jayne and I plan to be on for the whole hour, so we can move to TMDL litigation if there isn't as much to go over on CZARA. Jane and Karen, I don't know if both of you want to be on the whole hour, but maybe at the beginning of the call, we can check in with each other if we should adjust times for CZARA or TMDL litigation. Looking forward to all of us talking again - Jenny
